

Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching

(PMMMNTT)

Faculty Development Programme in Data Science
For
Faculty in Universities, Colleges and Institutes of Higher Education
(11th – 16th Nov 2019)

Call for Registration and Participation

Venue: Samarth Group of Institutions College of Engineering
Nagar-Kalyan Road, Belhe, Tal- Junnar, Dist- Pune-412410

Jointly Organized by
Shivaji University, Kolhapur
And
Department of Electronics & Telecommunication,
Samarth Group of Institutions College of Engineering, Belhe,
Tal-Junnar, Dist- Pune

About Shivaji University, Kolhapur

Shivaji University, established in 1962, is named after the Great Maratha Warrior and founder of the Maratha Empire Chhatrapati Shivaji. One of the major objectives behind foundation of this University was to cater to the regional needs of South Maharashtra. The jurisdiction of the University is spread over three districts viz. Kolhapur, Sangli and Satara with strength of about 3,00,000 students studying in 280 affiliated colleges and recognized institutes. The recent phase of the University can be termed as "a pursuit of academic excellence". Since last 4-5 years, several attempts are being made to overcome the image of University as a regional University. The University's efforts towards excellence are being recognized by the substantial grants received from funding agencies like UGC, DST, DBT etc. Another indicator of recognition of University is collaborations with premier institutes in the country. Shivaji University has recently signed MOU with Bhabha Atomic Research Centre, Mumbai for research in Material Science. It has also joined hands with Indian Institute of Geo-Magnetism, Mumbai and industries like Phyto-Pharma. Prestigious institutes like Maharashtra Police Academy, Nashik and Centre for Social Studies, Surat have sought affiliation with the Shivaji University. Shivaji University has been re-accredited by National Assessment and Accreditation Council (NAAC) Bangalore, with "A" Grade (CGPA-3.16) (2014). Shivaji University has bagged the 28th position in the rankings announced by the National Institutional Ranking Framework (NIRF) of Union Ministry of Human Resource Development (MHRD). As per the INFLIBNET report, Shivaji University stands second in use of Nature publications Group's (NPG) e-journal usage in the country. The University has also signed MoU with Centre for Development of Advanced Computing (C-DAC), Pune. Under the agreement, the two institutions will exchange information and communication technology.

About Samarth Group of Institutions College of Engineering (SGOICOE), Belhe

Samarth Group of Institutions College of Engineering (SGOICOE) is the finest engineering institute in Junnar. Established in 2010 & recognized by All India Council for Technical Education (AICTE), New Delhi and Directorate of Technical Education (DTE), Government of Maharashtra. It belongs to the prestigious Samarth Group of Educational Institutions and is engaged in providing value based quality education.

SGOICOE runs undergraduate programs in Computer Engineering, Electronics & Telecommunication Engineering, Civil Engineering and Mechanical Engineering. Over the last 9 years, SGOICOE has grown to be one of the most reputed institutes in Maharashtra. Nestled in verdant surroundings, SGOICOE is accredited by National Assessment and Accreditation Council (NAAC) with "B" grade in 2018. The institute is also recipient of awards at state level and has the well-established linkages with industry under IIIC (Industry Institute Interaction cell) in continuation of our endeavour to achieve excellence in providing quality technical education. Institute signed MoUs with two reputed MNC companies under Industry Institute Interaction cell i.e TATA MOTORS, TATA Strive by TATA Community Initiatives Trust, TAFE TRACTORS, Bridgestone India, SV Industries, Whirlpool of India, for on campus and off campus training.

The institute is also creating technical professionals through State of art rural education, by providing trained and motivated professional force, disseminating technical and professional education to rural section of the state and excelling consistently to create technical and professional hub. The management of SGOI has long believed in encouraging the all-round development of students and this can be seen in the establishment of several technical & non-technical student committees. This has led to a spawning of several student leaders.

Resource Centre in Data Sciences and Cyber Security:

National Resource Centre in Data Sciences and Cyber Security is established under the guidance RUSA Maharashtra from the grants received from the MHRD, Government of India under the 'Pandit Madan Mohan Malviya National Mission on Teachers and Teaching (PMMMNMTT)' scheme. Objective of this centre is capacity building of human resource which is recognized as a critical element to strengthen not only the organization/ institutions but even the people at grassroots level by spreading awareness Data Sciences. There is a large gap between demand and availability of trained human resource in Data Sciences, who can beneficially utilize the available information for cyber safety. Data Science trained human resource is needed both as the provider and user of Technology. This is vital for sustainable development so that informed decision making can be done at all levels.

About the Training:

Data Science– An interdisciplinary field, data science deals with processes and systems that are used to extract knowledge or insights from large amounts of data. Data extracted can be either structured or unstructured. Data science is a continuation of data analysis fields like data mining, statistics, predictive analysis. A vast field, data science uses a lot of theories and techniques that are a part of other fields like information science, mathematics, statics, chemometrics and computer science. Some of the methods used in data science include probability models, machine learning, signal processing, data mining, statistical learning, database, data engineering, visualization, pattern recognition and learning, uncertainty modeling, computer programming among others. With advancements of so much of data, many aspects of data science are gaining immense importance, especially big data.

Data science is not restricted to big data, which in itself is a big field because big data solutions are more focused on organizing and preprocessing the data rather than analyzing the data. In addition, machine learning has enhanced the growth and importance of data science in the last few years. Data has real value and every information extracted from it can make or break businesses. Analytics is the intersection of business and data science, offering new opportunities for a competitive advantage. It unlocks the predictive potential of data analysis to improve financial performance, strategic management, and operational efficiency. Data analytics can lead to valuable insights that can determine leads to increase sales, fraud detection, pattern recognition and risk prediction in various domains. As part of this initiative, a Faculty Development Programme (FDP) is conducted to focus on the fundamentals of data science with hands-on sessions on every topic handled using python.

Objectives of the Training:

- Train 2000 faculties
- Building networks of professional
- Sensitizing cyber security & Data Sciences to masses at large for strengthening cashless transactions.

Eligibility:

Faculty Members from Science and Technology, Humanities, Social Sciences, Commerce and Management discipline from Universities, Colleges, NITs, IIITs, Engineering Colleges and other Institutions of Higher Education.

As the number of participants is limited to 40, preference will be given on First Come First Serve basis.

Programme Schedule:

Dates: 11th – 16th Nov 2019

Venue: SGOICOE, Belhe, Junnar- 412410.

Day and Date	Course Contents
Day 1: Wednesday, 11/11/2019	Introduction to Python, Python Basics
Day 2: Thursday, 12/11/2019	Python Hands-on
Day 3: Friday, 13/11/2019	Data Analytics using Python
Day 4: Saturday, 14/11/2019	Hands on session on Python and Machine Learning
Day 5: Sunday, 15/11/2019	Hands on session on Machine Learning using Python
Day 6: Monday, 16/11/2019	Hands on session on Machine Learning using Python, Examination and Evaluation

The eligible candidates will be given confirmation is available on web-portal and it will also be informed through email. All confirmed participants will have to submit a relieving letter from their institution on the first day of the training.

Laboratory assignments:

1. Introduction to Python.
2. Introduction to Machine Learning.
3. Importing data using python for analysis
4. Exploring data sets for analysis
5. Working with loops, metrics, data submission
6. Building Data-Frames, merging data-frames and visualization with data-frames
7. Data analytics using python
8. Matrices Preview, Building Your First Matrix
9. Dictionaries in Python
10. Matrix Operations
11. Explore & Define a ML use case
12. EDA and Feature Engineering
13. Working on Machine learning using python
14. Exploring your dataset
15. Importing data into Python
16. Filtering a Data Frame
17. Renaming Columns of a Data-frame
18. Exploratory Data Analysis
19. Univariate Analysis, Univariate Analysis 2
20. Simple & Multiple Linear Regression, Regression Demo
21. Simple Network Servers
22. Package Managers

Registration:

- Participants must register through online web-portal only.
- No need to send any printed documents to the Resource Center Shivaji University.
- Registration Link: <http://sangnaksuraksha.com>

Registration details:

- Registration and participation is free of cost as program is sponsored by PMMMNMTT

Instructions for the Participants:

- Attendance at all sessions is mandatory.
- Breakfast, Lunch and Tea will be provided.
- Accommodations are provided based on the availability & prior intimation.

Important Note: This FDP under PMMMNMTT is applicable for CAS promotions as per UGC gazette.

Organizing Committee

Chief Patron

Hon. Dr. Devanand B. Shinde
Vice Chancellor
Shivaji University, Kolhapur, Maharashtra

Hon. Shri. Vasantao G. Shelake
Chairman, SGOI, Belhe,
Junnar, Maharashtra

Hon. Dr. D. T. Shirke
Pro-Vice Chancellor
Shivaji University, Kolhapur, Maharashtra

Hon. Shri. Dnyaneshwar G. Shelake
Vice-Chairman, SGOI, Belhe,
Junnar, Maharashtra

Hon. Dr. V. D. Nanavadekar
Registrar, Shivaji University, Kolhapur,
Maharashtra

Hon. Shri. Vivek V. Shelke
Secretary, SGOI, Belhe,
Junnar, Maharashtra

Hon. Shri. Vallabh V. Shelke
Managing Trustee, SGOI, Belhe,
Junnar, Maharashtra

Patron

Hon. Dr. Annasaheb S. Goje
Principal,
Samarth Goup of Institutions College of Engineering, Belhe,
Junnar, Maharashtra

Principal Investigator
Dr. R. K. Kamat
IQAC Director
Director, Innovation, Incubation and Linkages
Head, Department of Computer Science
Shivaji University, Kolhapur

Co-Investigator
Dr. K.S. Oza
Assistant Professor,
Department of Computer Science,
Shivaji University, Kolhapur

Organizing Committee

Dr. Deepraj S. Deshmukh
Dean Academics
SGOI College of Engineering, Belhe, Junnar

Mr. Pradip S. Gadekar
Administrative Officer
SGOI College of Engineering, Belhe, Junnar

Mr. Nirmal S. Kothari
Assistant Professor & Head, E&TC Engineering
Convener

Mr. Bhushan M. Borhade
Assistant Professor & Head, Computer Engineering
Co-convener

Mr. Anup S. Polgavande
Assistant Professor, E&TC Engineering
Coordinator

Mr. Sayaram N. Shingote
Assistant Professor, Computer Engineering
Coordinator

Members

Mr. Swapnil T. Dumbre
Ms. Suvarna R. Rohile
Mr. Pawan A. Gawade
Mr. Nitin S. Shingi
Mr. Vikas S. Chandre
Mr. Rahul S. Parbhane

Ms. Swapnali K. Shelke
Mrs. Rohini R. Rote
Ms. Ankita V. Ghodke
Mrs. Suvarna S. Jondale
Mr. Yogesh A. Shinde
Mrs. Sneha R. Shegar
