About Shivaji University, Kolhapur:

Shivaji University, established in 1962, is named after the Great Maratha Warrior and founder of the Maratha Empire Chhatrapati Shivaji Maharaj. One of the major objectives behind foundation of this University was to cater to the regional needs of South Maharashtra. The jurisdiction of the University is spread over three districts viz. Kolhapur, Sangli and Satara with strength of about 3,00,000 students studying in 280 affiliated colleges and recognized institutes. The recent phase of the University can be termed as "a pursuit of academic excellence". Since last 4-5 years, several attempts are being made to overcome the image of University as a regional University. The University's efforts towards excellence are being recognized by the substantial grants received from funding agencies like UGC, DST, DBT etc. Another indicator of recognition of University is collaborations with premier institutes in the country. Shivaji University has recently signed MOU with Bhabha Atomic Research Centre, Mumbai for research in Material Science. It has also joined hands with Indian Institute of Geo-Magnetism, Mumbai and industries like Phyto-Pharma. Prestigious institutes like Maharashtra Police Academy, Nashik and Centre for Social Studies, Surat have sought affiliation with the Shivaji University. Shivaji University has been re-accredited by National Assessment and Accreditation Council (NAAC) Bangalore, with "A" Grade (CGPA-3.16) (2014). Shivaji University has bagged the 28th position in the rankings announced by the National Institutional Ranking Framework (NIRF) of Union Ministry of Human Resource Development (MHRD). As per the INFLIBNET report, Shivaji University stands second in use of Nature publications Group's (NPG) e-journal usage in the country. The University has also signed MoU with Centre for Development of Advanced Computing (C-DAC), Pune. Under the agreement, the two institutions will exchange information and communication technology.

About Smt. S. K. Gandhi Art, Amolak Science, and P. H. Gandhi Commerce College, Kada

The Amolak Jain Vidya Prasarak Mandal grew from a single school into a multi-institution group, delivering quality education at all levels. Today Amolak Jain Vidya Prasarak Mandal manages seven institutions, from pre-primary to post-graduation. Amolak Jain Vidya Prasarak Mandal was established in 1924 by Amolak Rishiji Maharaj Sahab. The Ardhamagadhi slogan “PADHANAM NANAM TAYO DAYA” is the motto of our institution. It means “first knowledge then sympathy”. The Vision of our institute is to provide quality education resulting in harmonious development of the students. The Mission is to develop social activities, intelligence and moral aspects. To provide education from nursery to post graduate to Jain as well as other communities with industrial, agricultural, technical, commercial, religious and national integrated curriculum.

Amolak Jain Vidya Prasarak Mandal’s, Smt Shantabai Kantilal Gandhi Arts, Amolak Science and P.H. Gandhi Commerce College, Kada, Tal. Ashti. Dist. Beed is established in the year 1996 with a strong commitment to the quest or excellence in the field of education for the rural and various poor classes of the society. The college has been imparting higher education in arts, science and commerce. It emphasises on ‘excellence in every pursuit’. We offer graduate course - B.A, B.Com, B.Sc., B.C.A. & Post Graduate courses – M.Sc. (Chemistry and Botany), M.A. Hindi and Geography under Dr. Babasaheb Ambedkar Marathwada University, Aurangabad, Maharashtra.

In today’s globalised Competitive e-world along with fundamental knowledge, we have to equip our students with advanced knowledge and skill set, with the events like Amolak festival, Amolak State Level Debate Competitions. We are also focussing on the versatile development of the students. We have grand well-equipped computer halls along with 3 ICT halls. Our library contains more than 9000 titles along with OPAC system for the students & gymnasium with latest instruments i.e. one of the assets of our sports activities. Our past students are also our pride and strength. Many of our students are working with leading educational as well as well-known industries. An extremely efficient and competent faculty is the guiding force behind grooming students to the desired level of competence.

About FDC Centre in Cyber Security and Data Sciences:

National Resource Centre in Cyber Security and Data Sciences is established under the guidance RUSA Maharashtra from the grants received from the MHRD, Government of India under the 'Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNTT)' scheme. Objective of this centre is capacity building of human resource which is recognized as a critical element to strengthen not only the organization/ institutions but even the people at grassroots level by spreading awareness Cyber security. There is a large gap between demand and availability of trained human resource in Cyber Security, who can beneficially utilize the available information for cyber safety. Cyber security trained human resource is needed both as the provider and user of Technology. This is vital for sustainable development so that informed decision making can be done at all levels.

About the Training:

Cyber security is need of the time, as estimated by National Association of Software and Services Companies (NASSCOM)'s Cyber security Task Force, there is need of 1 million trained cyber security professionals in India by 2025. But, currently there are only 62,000, so to fill this gap there is need to introduce cyber security courses at graduate and postgraduate *levels*. Our aim is to train teachers with practical skills so that more and more cyber security experts can be shaped every year. It is expected that the 'Train the Trainers' approach shall percolate to the students in colleges and make them suitable to take up challenges in the domain of Cyber Security which is the need of this decade and will thus improve their employability enhancing campus placement. In addition, Cyber Security courses will help in start-ups and employment opportunities. The faculty shall be also trained specifically as knowledge creator with strong practical 'skills' and theoretical details.

Objectives of the Training:

- Train about 40 faculties.
- Building networks of professional.
- Forming consortium of industries specialized in cyber security which will interface with Shivaji University, Kolhapur.
- Sensitizing cyber security to masses at large for strengthening cashless transactions.
